

CHIFLÓN AND ISIDORA PARK

LOTA'S MINING HERITAGE

DEVIL'S SHAFT UNDERGROUND MINE /CHIFLÓN DEL DIABLO

Historic underwater coal mine from 1884 offering guided tours through galleries with former miners. Explore meters below the Pacific Ocean with provided safety equipment. Features authentic scenery from the 2003 movie "Subterra" including miners' houses and company store.

BOTANICAL HERITAGE GARDENS ON PARQUE ISIDORA COUSIÑO

French-style park designed in 1862-1872 as a gift from Luis Cousiño to his wife Isidora. Features 83 different plant species from 6 continents, 27 cast iron sculptures, and beautiful panoramic views of the Arauco Gulf. Guided by costumed "Isidoras", tour guides dressed in period costumes that evoke the era and the figure of Isidora.

WHY VISIT THEM?

#1 and #2 attractions in Lota on TripAdvisor. Unique combination of industrial heritage and botanical beauty. Chiflón del Diablo offers underground mining experience while Parque Isidora Cousiño provides historic landscapes with free costume-guided tours.

WHERE ARE THEY LOCATED AND HOW DO YOU GET THERE?

Chiflón del Diablo: Avenida El Chiflón s/n, Lota Alto Parque Isidora Cousiño: El Parque 101, Lota, Región del Biobío Both sites form Lota's Heritage Circuit in the historic city center.

- Bus: Bus called "Coronel - Lota" from Concepción, its station is on Tucapel and Carrera Street
- Car: Parking available, ideal for rally participants
- From Concepción: 1 hour and 10 minutes via Route 160
